

We are committed to placing our cats/kittens in suitable homes where they will not only receive proper care, but where they will also be an appropriate match to the applicant. It is also required that anyone interested in adopting a cat/kitten from Dorothy's Cat Sanctuary fill out and sign our Adoption Agreement. Please note that the filling out of this application does not guarantee the adoption of an animal.

Agreement

I am willing to make a minimum adoption donation of \$50 (male) or \$100 (female) *

We are a 100% volunteer run organization; the adoption donation is used to partially recover the costs involved in rescuing the animal you are interested in. These costs include but are not limited to; spay/neuter, food, housing, deworming and any veterinary exams, or medical care that the animal may have required while in the shelter. We would not have been able to save the life of the animal that you have applied to adopt without the adoption donation from another that came before him or her.

Agree

Disagree

I have read the above information carefully and have filled out this application honestly. I understand that omission of information and/or failure to answer all questions can result in the application being declined. Also, if an omission or untruth is discovered after an adoption takes place, I understand and accept that Dorothy's Cat Sanctuary has the right to annul the adoption and reclaim the cat/kitten. This application becomes a part of our Adoption Contract. *
